## Why join STACC?

The St Albans Cycle Campaign needs YOUR help in its fight for better cycle facilities in this area.

STACC is not a cycling club. We are an organisation of volunteers campaigning for the rights of cyclists and promoting cycling in and around St Albans. We lobby for better and more convenient conditions for cycling, safer roads, and more people on bikes.

## Help us to:

Encourage cycle usage in the St Albans district.

Promote cycling to play a more significant role in a balanced transport system for the St Albans District.

Support, assist and influence local authorities responsible for managing the transport system in the St Albans District.

*Our approach is to work co-operatively with the key bodies such as local authorities while lobbying for better funding and provision for cyclists.*
